

Anureet Kaur

Queen Mary University of London

IRCO Student Prize – Best Presentation

Anureet Kaur from Queen Mary University of London gave an excellent presentation with the topic: "Development of self-healable and recyclable elastomers". It was rated by the audience with an average score of 9.1. This means that she narrowly won against 13 other students. For her excellent performance and the best student presentation she will be awarded with a prize money of 700€ by the DKG in cooperation with the IRCO.

We congratulate her and wish her all the best for her future scientific career!

IRCO Student Prize – Best Poster

Sreethu T K from Indian Institute of Technology Kharagpur exhibited an impressive poster with the topic: "Investigation on the Impact of ZnO having various surface characteristics in natural rubber/carbon black composites".

The audience and the exhibition visitors voted and selected the poster as the best student poster of DKT IRC 2021. For this, Sreethu T K is awarded a prize money of 700€ by DKG in the name of IRCO.

We congratulate her and wish her all the best for her future scientific career!
